Platform: Visalerate

Applies To: All users of the Visalerate platform, including candidates and consultants.

1. Not a Law Firm

Visalerate is not a law firm and does not provide legal advice or representation. The services available on this platform are intended strictly for informational, educational, and document support purposes. If you need legal advice or representation for your immigration matter, you should consult with a licensed attorney or a U.S. Department of Justice (DOJ) accredited representative.

2. Consultants Are Not Your Lawyers

Unless a consultant's profile clearly indicates they are a licensed attorney and that status has been independently verified, they are not your lawyers. No attorney-client relationship is created by using their services on the platform.

Consultants:

- Cannot file immigration petitions for you.
- Cannot represent you before USCIS or any other U.S. government agency.
- Are not permitted to give legal opinions on your eligibility, admissibility, or legal strategy unless they are a licensed attorney and have formally disclosed this to the platform.

When a consultant is licensed, their profile will state this, and they will be personally responsible for any legal advice they provide.

3. Candidate Responsibility

As a candidate, you are responsible for:

- Making sure all forms or petitions you submit to the government are accurate, complete, and on time.
- Please note that the platform does not guarantee the approval of any visa, petition, or immigration application.
- You agree not to depend on **Visalerate** for legal interpretations or strategic advice unless an attorney has provided it in writing.

4. Platform Limitations

While **Visalerate** offers tools to help you organize and prepare immigration materials, please be aware that:

- We do not check your documents for legal sufficiency.
- We do not make legal judgments about the merits of your case.
- We do not contact or respond to government agencies on your behalf.

5. Enforcement and Reporting

Any user (consultant or candidate) who offers or accepts legal services on the platform without proper licensing will face immediate suspension or a permanent ban. They may also be reported to relevant regulatory or immigration authorities and may have their fees or payments forfeited.

6. No Guarantee of Results

Visalerate provides no guarantees, warranties, or promises regarding:

- The final outcome of any immigration petition.
- The accuracy or effectiveness of any feedback from a consultant.
- Your ultimate eligibility or success with any visa category.

Your use of this platform is entirely at your own discretion and risk.

7. Digital Acknowledgment

By using the **Visalerate** platform, you confirm that you have read and understood this Legal Disclaimer. You agree that you will not treat any part of this platform as legal advice unless it has been explicitly stated and independently verified by a licensed attorney.
